

Corona Virus CORVID 19

Raw Risk					Controlled Risk				
Risk Ref	Risk Description	Probability (5=High,1=Low)	Severity (5=High,1=Low)	Raw Risk Rating	Responsibility	Control Procedures	Probability (5=High,1=Low)	Severity (5=High,1=Low)	Residual Risk Rating
1	General considerations for training and teaching during the outbreak	3	5	15	Club Committee	Birmingham Marlins will be continuing to provide as many sessions as possible in line with our timetable, pool availability and other circumstances. Birmingham Marlins Swimming club in conjunction with pool operators will follow advice set out by Swim England and the British Government together with any specialist advice for individual members medical advisor. <b>No person who has the symptoms of or has been in contact with anyone with the symptoms of Coronavirus can attend sessions.</b>	2	5	10

2	Pool Hygiene	2	5	10	Pool operators	The Morris Centre have agreed to take additional measures to ensure that pool hygiene is maintained at optimum levels. Morris Centre staff are doing more regular pool testing to ensure pool water has correct chlorine and PH balance. Morris Centre staff have increased cleaning, particularly of high touch areas such as door handles and rails etc. Langley pool will continue to maintain its high levels of hygiene as required by public pool operators	1	5	10
3	Before entering the water	4	5	20	Members, parents, coaches, teachers	Avoid personal contact in the changing room. Wash your hands as soon as you enter the changing rooms, Don' stand around and chat. Wash hands with soap and water for a minimum of 20 seconds, Shower before entering the water.	2	5	10
4	In the water	2	5	10	Members, coaches, teachers	We are advised by Swim England that the chlorine sterilisation in the pool will kill the vast majority of viruses and it is therefore a safe environment. Swimmers should however avoid personal contact with their teacher/coach and other swimmers. Anyone leaving the pool to use the toilet should thoroughly wash their hands with soap and water before re-entering the water. Do not share hats, goggles or other items of personal equipment. Only use your own water bottle that you brought with you.	1	5	5

5	After leaving the water	2	5	10	Members, parents, coaches, teachers	Shower thoroughly and dry thoroughly. Don't stand around and chat. Get dressed quickly, wash your hands before leaving the changing rooms and leave the building immediately.	1	5	5
6	Land Training	4	5	10	Members, parents, coaches, teachers	Group Land training sessions are suspended during the outbreak of Coronavirus	0	5	0
7	Use of Morris Centre gym facilities	4	5	20	Members, parents, coaches	Those persons who are authorised to use the gym facilities at the Morris Centre may still do so. Wash hands for at least 20 seconds with soap and water prior to using the equipment. Do not touch your face whilst in the gym Individuals should wipe down equipment before and after use with the Clean Freek gym cleaner provided and that people should keep a distance using alternate machines where possible. Wash your hands for at least 20 seconds using soap and water after finishing in the gym. Do not eat in the gym and only use your own water bottle,	2	5	10
