

I am a Birmingham Marlin Para swimmer.

I love being a Birmingham Marlin because I really enjoy swim camps and I have made lots of friends. I love to swim at all the different pools. Karen my coach makes us work hard but we also have lots of fun. Steve another of my coaches makes me laugh as well especially when I get his shoes wet ha ha. Scott is the best swimmer he is so fast I would like to be as fast as him one day. Galas are lots of fun and I like to go to new pools and try and break my pb times and win medals. I love swimming because I feel relaxed and happy and its great exercise to keep me fit and healthy.
