The Covid Lead will have access to the poolside in ppursuance of his duties.	2	5	10
	Use of the balcony	5	5	25	Parents	Ther will be no use of the balcony during the emergency period	0	5	0

6	In the water	2	5	10	Members, coaches, teachers	We are advised by Swim England that the chlorine sterilisation in the pool will kill the vast majority of viruses and it is therefore a safe environment. Swimmers should however avoid personal contact with their teacher/coach and other swimmers. Anyone leaving the pool to use the toilet should thoroughly wash their hands with soap and water before re-entering the water. Only use your own water bottle that you brought with you - there are no facilities to fill water bottles. Only use your own equipment, so you must bring your own kit with you. For those who do not have kit we can supply 1 float, 1 Woggle and 1 Pull bouy. This will remain your equipment and is not to be shared.	1	5	5
7	After leaving the water	2	5	10	Members, parents, coaches, teachers	Shower thoroughly and dry thoroughly. Don't stand around and chat. Get dressed quickly and leave to building immediately.	1	5	5
8	Land Training	4	5	10	Members, parents, coaches, teachers	Indoor land traing is suspended during Covid 19 emergency measures. Outdoor land training may take place using an outdoor court where social distancing can be maintained. No equipment will be used.	1	5	5

7	Use of Morris Centre gym facilities	4	5	20	Members, parents, coaches	Those persons who are authorised to use the gym facilities at the Morris Centre may still do so. Wash hands for at least 20 seconds with soap and water prior to using the equipment. Do not touch your face whilst in the gym Wash your hands for at least 20 seconds using soap and water after finishing in the gym. Do not eat in the gym and only use you own water bottle,	2	5	10
