Dear David,

Re: SwimMark Health Check

I am pleased to congratulate Birmingham Marlins on completing the SwimMark Health Check, which was ratified during the recent Club Leadership Group (CLG) Meeting on 22nd July 2024.

By maintaining SwimMark, your club continues to benefit from the following:

- Use of SwimMark logo on club documentation – logo can be found on the online portal, within the Resources tab (please ensure correct logos are used on all club correspondence)
- In partnership with Institute of Swimming, Swim England SwimMark clubs are also eligible for a yearly £100 credit that can be used against any course purchased by a club. In order to redeem this credit, club key contacts should email iosadmin@swimming.org with the following information:
 - Name of club
 - Voucher code number they wish to deduct the £100 from (this can be found in your Company Account)The IOS will then amend the invoice for this voucher.
- 5% off Swim England Awards (quote SwimMark club when placing an order) 3 free Bronze listings per year for coaching vacancies on the Careers in Aquatics website. To submit a vacancy, please go to swimming.org/careers and visit the Post a Job page. Enter the code SWMK19 plus your 4 character club code in the promotional box i.e. SWMK19SECL

Your SwimMark certificate is renewed every two years, in line with the full accreditation, so please continue to display your current certificate where appropriate. Your club will be required to complete the full accreditation again, i.e. 15 elements, by July 2025, however you will be contacted in advance of this date.

Thank you for your continued commitment to SwimMark accreditation.

Yours sincerely

Ian Cotton
Chair, Swim England Club Leadership Group
